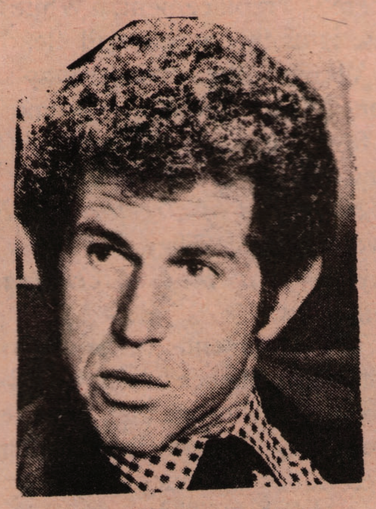
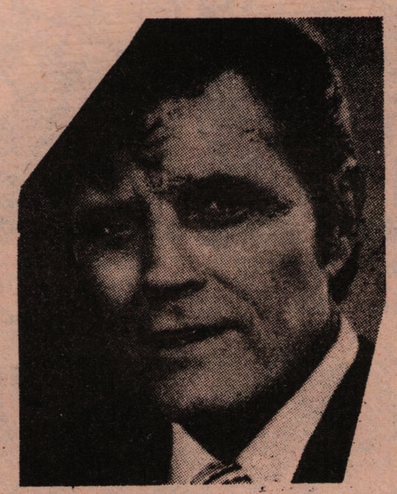
THE WHITE MAN'S VIEWPOINT

SEPTEMBER, 1977 ISSUE #221

New Fall TV Lineup — Most Are Jews!



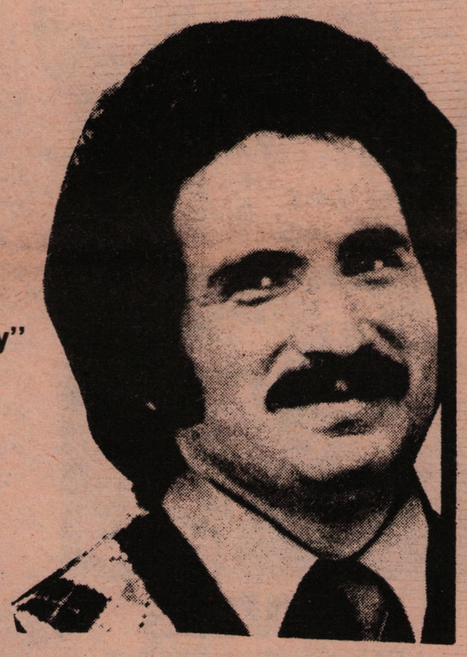
"Rosetti & Ryan" in real life are Jews Tony Roberts and Squire Fridell.



Few know that Jack Lord of "Hawaii Five-O" is a Jew.

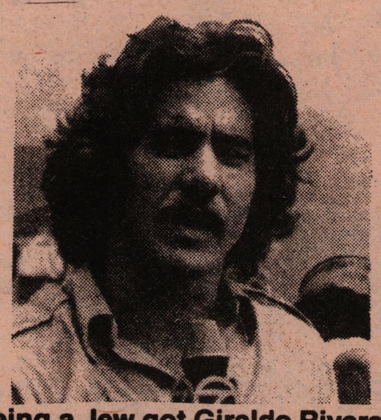
Over 30, but still a Hollywood teenager is Henry Winkler.

"Odd Couple," now "Quincy" is Jew Jack Klugman.



It's no secret that "Kotter's" Kaplan is a Jew--it's plain as the nose on his face.

Mark Shera is the Jew on "Barnaby Jones"



Being a Jew got Giraldo Rivera on TV

Peter Strauss of "Rich Man, Poor Man" is now Joe Kennedy

Most viewers are surprised to find that the 6 Million Dollar Man might be one of the missing 6 million.

Victor French is something of a first. A Jewish Georgia Sheriff in "Carter Country."

"Starsky & Hutch," both Jews. David Soul and Paul Glaser.

Jew Gabe Melgar replaced Freddie Prinze.

Jews Dominate Fall TV

While Jews maintain that they are only three per cent of the population, they produce, write or direct almost every TV show. This year they have really *"come out of the closet"* and have many Jew *"stars"* on almost all TV shows.

Since all Jews are to the left of the political spectrum, their political views come through loud and clear on their TV shows. Race mixing, immorality, ridiculing Whites, Marxist social views, all dominate TV. Recent surveys prove that fewer and fewer people obtain their news from magazines and newspapers. Circulation of such publications is down and polls find that many people obtain all their news from TV. This gives a small number of people tremendous influence over the American public. This is the reason it is very important for us to know what racial groups control the medium our people spend their entire evenings watching every night of the week.

The following are programs watched by many viewers without the realization that the so-called "stars" are Jews:

"Sex and the Married Woman" Starring the Jew Barry Newman

"Carter Country," "Richard Pryor,"

"The Jeffersons," "Maude," "Soap," "Redd Foxx" are all designed to ridicule Whites. All are either Jew-directed or Jew-produced. Jew Norman Lear produces the first two and Fred Silverman the pornographic "Soap." Lear also produced the anti-White "All in the Family" and "Mary Hartman" with Jew drug addict Louise Lasser, and the afternoon show "All that Glitters" starring Jew David Haskell.

TV "Star" Mostly Jews

— Continued from Page 1

Jewish Comedians

Milton Berle (Berlinger), Sam Levenson, Don Rickles, Jackie Mason, Woody Allen (Konigsberg), George Burns, Rodney Dangerfield (Cohen), Alan King (Kniberg), Red Buttons (Aaron Chwatt), Danny Kaye (David Kaminsky), Jan Murray (Janowsky), Jerry Lewis (Levitch), Joey Adams (Abrams), David Brenner.

Kirk Douglas (Demsky), Jill St. John (Oppenheimer), Charles Bronson, Pamela Mason (TV talk shows -- daughter of British textile tycoon, Isadore Oster), Lauren Bacall (Persky), Tony Curtis (Schwartz), Shelley Morrison ("Flying Nun," of all things). Few knew the late actor Lee J. Cobb and Laurence Harvey were Jews. (Most thought Harvey was English, he was a Jew from Lithuania, real name Larusha Skikne), Cyd Charisse (Tula Finklea), Shelly Winters (Schrift(, Besty Palmer (Hrunek), Paul Newman, et. al.

Jews Behind the Scenes

"Jewish presence is made to look invisible on TV," says David Dortort. He is the Jew producer of the highly successful "Bonanza" program. Out of the four original stars on "Bonanza," only one was a Christian, the late Dan Blocker. Lorne Greene, Michael Landon and Pernell Roberts are all Jews. Jews often play gentile nationalities. Jew Peter Falk plays an Italian on "Columbo" and Jew Arthur Hill played Dr. Owen Marshall.

Network TV is saturated with Jews from the heads of the three TV networks to the directors and producers and to the actual stars on the programs. This would not be so bad if TV were not used for the dissemination of Jewish propaganda. Race-mixing abounds, pornography, and pro-Zionist slanted news. With TV becoming more powerful and influential with every passing day, it is imperative that the Jewish monopoly be broken. A White Christian nation can no longer stand in the face of such an overwhelming assault by a tightly organized anti-Christian minority.

Who Owns TV Networks

It is often said that the stockholders own such companies. In truth, either an individual or small group owns the controlling stock in a firm. Often as little as 10% can give controlling interest.

William S. Paley owns 1.7 million shares of stock in CBS, worth over $100 million. This is why he has been Chairman of CBS for 50 years (he is now 75). Leonard Goldenson owned Paramount Theatres, which bought control of ABC. Thus he has been the president for 20 years and cannot be removed.

History of Radio & TV

It was Marconi who invented the wireless (radio). He formed the Marconi Wireless Telegraph Co. in Roselle Park, NJ. This later became RCA radio. The Russian Jew David Sarnoff went to work for Marconi and with Rothschild financing, he forced out the Marconi family and took effective controlling interest over RCA. Later RCA formed the nation's only national radio networks. They were called the "Blue Network" (ABC) and the "Red Network" (NBC). After fighting an anti-trust suit for years, the Sarnoff family was forced to sell off ABC. However, they made sure that it went to Jewish financial interests.

Today David Sarnoff's sons still control NBC. Robert Sarnoff is chairman of RCA which, in turn, owns NBC. Thomas W. Sarnoff is president of NBC West Coast broadcasting. Edward Sarnoff is chairman of Fleet Services. Thus, the Jewish Godfather (Sarnoff family) has controlled NBC since 1917.

Wealth and Power of TV

While many American industries are in difficult financial straits, the opposite is true with the all-Jew controlled TV industry. A prime time program on any of the networks can charge up to $125,000 for a one minute spot ad. Sponsors wail, but if they do not ante up, another firm will grab the TV spot.

Newspaper circulation is down and so is their advertising. Many slick magazines are losing advertising. Notice how thin Time magazine has has become? TV is what EVERYONE is watching and fewer people are reading. The public sits hypnotized and stuporized in front of the boob tube.

CBS, Inc. is worth over $2.2 billion. During the first quarter of this year, TV ad revenues were staggering: $282 million for ABC, $273 million for CBS and $273 million for NBC. Salaries for Jewish TV executives are stupendous. Here is the list.

THE THUNDERBOLT is published monthly. Subscription rates are: One year, $6; Two Year, $10. Published by THE THUNDERBOLT, INC., Dr. Edward R. Fields, Editor and Publisher, publication office: 591 Cherokee St., Marietta, Ga. 30061. Second Class postage paid at Marietta, Ga.

Leonard H. Goldenson	ABC	$496,000

MONOPOLY -- JEWS HEAD ALL THREE TV NETWORKS

Very few TV veiwers realize that the heads of all three TV networks are Jews. Not only that, but all of their chief sub-heads of the important divisions of news and TV programming are also Jews. Whenever there is a replacement, a White Christian is never chosen, but another Jew is as this article will clearly show.

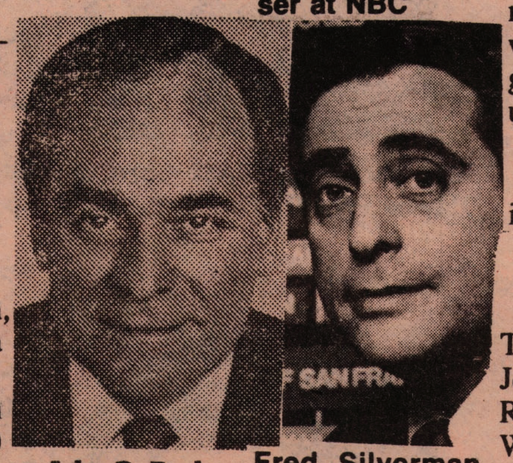
Viewers often wonder why so many TV programs are anti-Christian, leftist, anti-White, promote race mixing, and are pornographic. A few years ago, a well-known Catholic priest, Father Daniel Lyons, who was editor of *"Twin Circle,"* publically charged that *"about 90% of the board of directors of NBC, CBS, and ABC are Jews."* Fr. Lyons added: *"They don't give a damn about Christian values. I'm saying that they discriminate against both Protestants and Catholics."*

The documentation below will prove these charges. Christians do not stand a chance of climbing the corporate ladder of the three TV networks. This means that we have a Jewish monopoly over our TV programming. This media control must be broken if White Christian culture, values and standards are to survive. The end question is whether or not White Christian civilization itself will survive.

The following are the shocking facts on who really runs television in America.

WILLIAM PALEY
Owns CBS

Goodman Stepped aside for Jew Schlosser at NBC



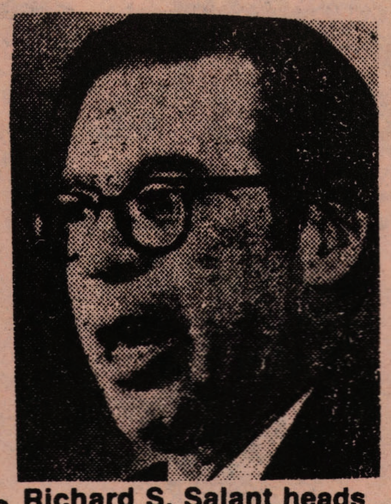
John D. Backe took over CBS from Jew Taylor.

Fred Silverman of "Soap" and "Roots" at ABC.

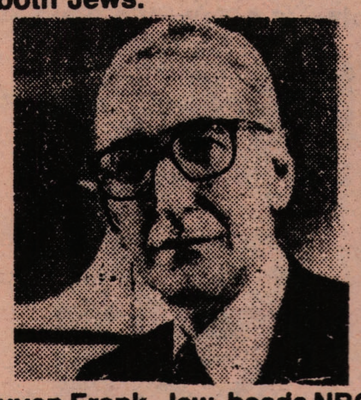
Recent changes in executive officers in TV found the Jew Arthur Taylor (not his real Jew name -- see photo) being replaced by the Jew John Backe. Taylor made $480,000 a year. When CBS dropped Jew Robert Wood as network head, the Jew Robert Wussler took his place. When NBC head Robert Sarnoff stepped down as President (he still heads RCA), the Jew Julian Goodman took his place. Recently, Goodman stepped down and another Jew, Herbert Schlosser, took over. It's all in the family for the Jews!

Therefore it is easy to see why TV is so pro-Jewish. Everything is for the minority and against the White majority. Zionist Israel is hailed and the dispossessed Palestinians are condemned. TV represents the views of the Jewish community in our living rooms without the viewer even knowing about this Jew monopoly over the public air waves. The time has come for us to bring these truths to the attention of the general public.

60 MINUTES
Morley Safer & Mike Wallace are both Jews.



Richard S. Salant heads CBS news.



Reuven Frank, Jew, heads NBC news.

This is Arthur Taylor, who turned his job as head of CBS over to fellow Jew Backe.

Robert D. Wood

Jew CBS VP retired and Jew Wussler got his job.

"ROOTS" — REAL STORY

☐ The book *Roots* should take its rightful place among the great fairy tales of the world, and be placed on the top shelf in a dark corner between *Rufus, the Talking Monkey* and *Raymond, the Singing Fish*. For his ancestral tribe, author Haley should have chosen one other than the Mandinkas (Mandingos) of Western Sudan, who themselves owned thousands of black slaves and drove others from the Niger to the coast to be sold to the kings of Dahomey, Congolese middlemen, and Egbo (Ebo) slave merchants of Old Calabar. Haley should have chosen one of the Fang tribes south of Benin. When they captured a prisoner during a raid they did not sell him into slavery. They ate him. Without the permission and cooperation of the African chiefs no white man would have been able to obtain slaves on the African coast. The African tribes never had a written language, therefore, they were illiterate. They had no calendar, therefore did not record the years. When slaves were shipped they were not listed on a manifest by name — merely so many slaves taken aboard. The slaves did not know the name of the ship, and upon arrival in America did not know in which port they disembarked. Slave owners did not maintain records listing African names, but merely the names of the slaves given to them by their owners. Slaves were sold as "a male slave, about 22," or, "Hannah, a slave of about 15 years." When a slave died he was buried and the grave marker listed his first name and date of death. Slaves did not know when they were born, except, perhaps, the season of the year. Therefore, without written records, a genealogical investigation is impossible. Mr. Haley has accomplished the impossible!

Slave Books — New Anti-White Drive

By Dr. E. R. Fields

TV Firms Behind Self-Hate Slave Books

Ever since the success of "Mandingo" and "Drum," the bookstores have been flooded with anti-White soft cover novels. The largest publisher of slave books is Fawcett Publishers. This firm's earnings shot up from $3.2 million in 1973 to $24.3 million last year. Fawcett is owned by CBS-TV, which is, in turn, owned by the Jew, William Paley. The second largest publisher of such trash is Pyramid Books, owned by the Jewish Warner Brothers firm. The third is Random House, owned by the RCA Corp, which is, in turn, owned by the Jewish family of David Sarnoff.

All the Themes are Identical

All the "slave" novels are the same. The setting is a Mississippi plantation. The daughter of the plantation owner or his wife is discovered in the arms of her black slave lover. The black is beaten by his outraged Master. However, on the side, the White Master has a negress in a nearby cabin as his concubine. In the end there is a slave revolt and often all the evil Whites are killed.

Even the covers of the books are the same. They must have a black male slave stripped to the waist with a White woman in his arms, or a White male with whip in hand ordering his slave mistress to make love to him. These books are being read by young impressionable White girls and even middle aged White women. Negroes read them and it inflames their hatred toward White people and no doubt this is in part responsible for the rising black rape and assault against White people.

Fawcett calls these books their *Falconhurst Series* and says that they are selling so fast that there is no end in sight for the poorly and hastily written novels. The back covers of the books refer to *"forbidden desires,"* and *"scandalous family secrets,"* etc. All are designed to rip apart any racial pride and self-respect left in our people. It will not be long before our school children will be ordered to read "Mandingo," "Drum," "Chinaberry," etc. in school.

Pyramid Books says they have many new *"plantation novels"* or *"slave gothics"* ready to go to print. Fawcett says they will advertise *"Sword of the Golden Stud"* on TV. Whites who read such books must bear a sense of masochism because the blacks always triumph over the Whites in the end. The slave girls are often forced to have sex with their plantation masters while the black bucks feel they are degrading the White girls. The books always have Whites performing acts of sodomy on their slaves. The White women are all supposed to be prim and proper and dressed in antebellum splendor, but hold a secret lust for sex with negro slaves. Tension leads to violence in the tangled sordid love affairs and death, burning, and destruction finally destroys the plantation.

Negro Tony Gilmore, chairman of the Afro-American studies program at the University of Maryland, admits that this modern version of slavery simply did not exist. He states that this *"orgy of bedroom violence and submissiom"* seldom occurred.

What this amounts to is a deliberate Jewish debasement of the antebellum South and the heritage of the White men and women of the South -- OUR ANCESTORS! Interracial sex rarely ever took place under slavery and only three slave revolts are recorded. The Jews who own all of these filth books have discovered yet another method to destroy the dignity and racial history of our Southern people. Such books are disgraceful, a bore to read, and decadence of the very lowest order. Tell your friends what the true story is and urge store owners, ESPECIALLY IN THE SOUTH, to refuse to carry books that can ruin the minds of our White youth. They are deliberately designed to instill the Jewish idiom of racial self-hate within our young. Order extra copies of this issue of "The Thunderbolt" and help us spread the truth and save our White youth from this vile degeneration.

Patterned after the success of "Roots" all the whites are depicted as evil and use the "poor" slaves for sex. Stories are falsifications of Southern history. But, they make money!

FLUORIDATION CAUSES CANCER

Two research scientists have testified in Washington that flouride treated water causes cancer. Dr. John Yiamoutiannis and Dr. Dean Burke stated that cancer deaths among those over 45 was much higher in cities which had adopted flouridated water than those which had not.

Their statistics found that 10,000 deaths from cancer each year are caused by flouridation. These figures were arrived at by comparisons with cities which did not have flouride in their water. They had a much lower cancer rate. An official of the National Cancer Institute admitted that their figures were wrong. They previously claimed that there were no differences in those who drank flouride and those who drank pure water.

Dr. Yiamoutiannis charged that the public should be able to expect better research reporting from the *"$800 million we give annually to the National Cancer Institute."*

Flouridation was forced upon the people by lying propaganda in the daily press. The forces against flouridation simply were worn down by the fight over this question, which has continued for the past 30 years. The money and influence was on the other side and they were finally able to overcome those of us who resisted the flouridation fraud for many years. This is the same method they hope to use to put the ERA over on the public. By staying at it long enough, with the support of the news media, eventually they wear down rightist opposition and have their way.

I.Q. Study

New Study Proves Genes Control I.Q.

Yale University Prof. Sandra Scarr has made a study of negro children adopted by 100 White couples in Minnesota. She found that living in a White environment increased the negro child's I.Q., but it still remained lower than that of White children.

Dr. Scarr said parents with a high I.Q. have children with high I.Q.'s. Adopted children have lower I.Q.'s if this was the case with their natural parents. She estimated that *"40% to 70% of intellectual differences are controlled by ones genes."* This means that 30% to 60% of mental differences between the races is due to environment. We must, at the same time, remember that negroes create their own substandard environment and placing their offspring in White homes is an artificial environment. We hold that the lower I.Q. that is inherited by coloreds is low enough to cause a civilization to collapse if our I.Q. rate is lowered to their level.

CARTER HELPS CASTRO

Miami, John Trattner, State Department spokesman for Pres. Carter admitted on August 3 that the CIA regularly informs Communist Cuba about activities of anti-Castro freedom fighters.

Trattner confessed on Miami TV station, WTVJ, that the CIA warned Castro of a pending major attack on Cuba by U.S. based anti-communist forces. Later some of the leaders were arrested by the FBI. Trattner said this was a "sensitive" area and he would not comment further.

Carter Recognizes Castro

Jimmy Carter has repeatedly informed the American people that we should not recognize the Communist Cuban regime unless Castro first pulled his forces out of Angola and five other African countries and ceased his subversive activities in South America. Castro has replied with INCREASED aid to Red forces in Africa. Still Carter moved right ahead and has reopened the U.S. Embassy in Havana. Trade missions are now being swapped and tourists are already visiting Cuba on a limited scale.

Therefore, we have once again won nothing from the enemy but have instead given into the communist demands. Trade, economic aid, and tourism from the U.S. would save Russia the $1 billion a month they spend to prop up their red satellite 90 miles off our shore. Stifling anti-Castro Cuban guerrilla activity is tantamount to giving aid and comfort to the enemy-THE DEFINITION OF HIGH TREASON!

Jew Heads Ford Foundation Money Goes to Minorities

Ford Foundation's chief in charge of national affairs is the Jew Mitchell Sviridoff, who is of Russian Khazar descent. Sviridoff stated that the Ford Foundation will spend $75 million to improve conditions of life in minority communities in both urban and rural areas.

He stated that it would take social, physical, environmental and economic development to raise the minorities' standard of living. It should be noted that the Ford Foundation owns a controlling interest in the Ford Motor Co. Their money comes from Ford stock dividends. Recently Henry Ford II, resigned from the Ford Foundation, stating that it was promoting socialism and was against free enterprise.

It is ironic that the Ford Foundation was established by Henry Ford to preserve his family's capital from inheritance taxes. Now this vast wealth has fallen into the hands of the Marxist Russian Jew, Sviridoff. Read Ford's true views on communism and the Jews in his monumental book, "The International Jew," only $3 per copy from the Thunderbolt.

Neutralize Radio Free Europe

Sen. Charles Percy and Sen. George McGovern have both asked that William E. Griffith be denied an appointment as head of Radio Free Europe. They charged that it was Griffith whose broadcasts over RFE in 1956 promised Hungarian Freedom Fighters large scale military aid which was never dispatched. Percy and McGovern say he *"inflamed"* the situation and that we need a man more *"dedicated to detente and not to Cold War."*

Cannibalism Still a Problem

Reuters News Agency reports that seven negroidal natives in Port Moresby in West Papuan (islands South of Indonesia), have been charged with *"having indecently interfered with burial of human remains."* It seems that the man was a relative who died of natural causes. Instead of burying him, the natives cooked the corpse and ate parts of it with sago. There is no specific law against cannibalism in the territory.

Egypt A Dying Nation

Negroes Killed Egypt's Civilization

Egypt was the world's first modern civilization. It existed for 2,500 years. When they opened some of the great Pyramids, and unwrapped the mummies they found white people, some with red hair. Anthropologists agree that the ancient Egyptian civilization was created by the White race. What happened to them?

Not knowing about the differences which exist between the races, the White Egyptians of old imported tens of thousands of negro slaves from central Africa to do forced labor on the pyramids and other mammoth construction projects. The slaves were gradually admitted into White households as servants. For centuries interbreeding took place and gradually the face of Egypt began to change.

The negroes' genes, dominant at a 4 to 1 ratio over White genes, changed the Egyptian nation from White to black. From being the most advanced civilization in history Egypt is now one of the most backward, undeveloped, over populated and poverty-striken places in the world. On this page we reproduce from the "New York Times" of September 13, a brief sketch of the squalor and decay which is destroying Cairo. Its population is projected to hit 20 million by the year 2000. The nation as a whole will double to 80 million within 30 years. Buildings are crumbling and 150,000 people live in the tombs in the city cemetery. They want to immigrate. This spreading cancer threatens to Africanize Europe itself as the following report proves.

Cairo — Houses Fall Services Fail

By MARVINE HOWE
Special to The New York Times

CAIRO, Sept. 12—A house collapsed suddenly in the heart of Old Cairo the other day, killing 43 inhabitants.

There was a public outcry because this was not the first house in Cairo, nor will it be the last, to fall from the effects of age, overcrowding and lack of maintenance.

Not only housing is stretched to the breaking point in Cairo, but also virtually all the city services.

The problems are clearly evident. In addition to the plight of people living in dilapidated housing in the old quarters. there is the strain of tens of thousand of poor living precariously on rooftops and in the City of the Dead, the huge cemetery on the outskirts. There are garbage heaps, sewer overflows in the streets of the old city and broken sidewalks in the downtown area.

Congestion and Power Cuts

There are problems of congested schools and clinics, frequent electricity cuts, and telephones that consistently ring the wrong number, if they ring at all.

It all adds up to one urgent question: How can the country cope with a huge population growth, particularly in urban areas, in view of its limited resources.

Egypt's population is estimated at 40 million and is expected to double in 30 years if the present growth rate of 2.3 percent yearly continues. Although the country appears large, only 15,000 square miles out of a total of 386,000 square miles are suitable for settlement. The rest is desert.

Greater Cairo has one of the highest population densities in the world and at present has more than 8.7 million inhabitants. The annual growth rate exceeds 4 percent. Propections range from 16 million to 20 million inhabitants by the year 2000.

This apartment building in Cairo collapsed. 43 inhabitants died.

Large areas of central Cairo are overcrowded and deteriorating, with limited sanitary services. And huge squatter settlements have grown up on the fringes of the city, completely without sanitary services.

One of the most controversial areas is the cemetery City of the Dead, where from 20,000 to 100,000 people live in the tombs.

"We hope to move everybody out of the cemetery because they don't have proper facilities—no clinics, no schools, no markets," said Mr. Bindary in a recent interview. He said that it was hoped that 5,000 new units would be ready by the end of the year in a low-cost housing area to house the people from the nearby cemetery.

Illegal Immigration Nation's No. 1 Threat

Rep. Sisk Says Immigration will Destroy U.S.

On July 14, 1977 Congressman B.F. Sisk took the floor of the House to warn fellow representatives that legal and illegal immigration will soon change the very character of America. Rep. Sisk said that the native Americans had lowered their population rate to the point where births about matched deaths. He said that most of our present growth came from immigration

Rep. B.F. Sisk,Fresno, Cal.

(85% of which is colored). Few people realize what "*truly drastic changes lie ahead for America.*"

While vast open land areas still exist in America the immigrants are all jamming into our already overcrowded cities. Congressman Sisk shocked his colleagues when he declared that at the present rate of immigration our nation's population will double within 40 years from 220 million to 440 million.

Mr. Sisk says that some of the "profound" effects of this will be more people on welfare and fewer working. "Democracy will dwindle" as controls are needed to confront the crisis brought on by such multiplying numbers. There will be enormous demands for energy, housing, education, welfare services, hospital space, etc. "The political impact will be enormous" as most of these people want socialism.

We are right now being pushed into a multiracial and bilingual society. Politics will be fragmented along linguistic lines" - as we now see in Hawaii where the Japanese have taken control of the political and economic life of the Islands. Sisk said that Spanish has already become our "second language". In some areas street signs are in Korean, Japanese, Chinese, and Spanish. He said said that the hand writing is on the wall as demonstrated by last year's San Francisco ballot which was printed in four languages. "This year it will be six. Multilingual cities are now coming into being."

Rep. Sisk said that these huge waves of immigration "*are not coming here out of a reverence for American institutions. They are coming here for economic reasons. They want higher wages, social benefits, and comfortable lifestyles.*" He warned that our "*precious heritage is not so strong that it cannot be overwhelmed and lost by numbers.*"

Sisk also cited the present problems of drug smuggling by immigrants, slave-like treatment of immigrants, huge profits in transport and fake documents for immigrants. The new Chinese wave of crime in San Francisco is caused almost exclusively by young immigrants from Hong Kong and Formosa. They refuse to work and their struggle over control of rackets has led us to new "Tong Wars".

Rep. Sisk ended his address by warning that: *The numbers of people who are diametrically opposed to the American system of government is growing. At present the problem is completely out of control. If we lose this battle we not only lose the war, but the nation.*

Egyptians Invade Italy

Negro Egyptian Immigrants Flood Italy

There are over 2 million unemployed workers in Italy. Many thousands of Italians have journeyed to West Germany, France, and Switzerland to find good paying jobs. Now that a recession has fallen over Europe, many have returned to find that hundreds of thousands of Egyptians have poured into Italy and are grabbing up every job in sight.

Rome estimates that there are at least 125,000 illegal Egyptian immigrants in that city alone. Police raided one foundry and found that all 159 workers were Egyptians without proper papers. One employer said that the Egyptians will work "*like horses for a piece of bread and a place to sleep. They will work 12 hours a day for minimum pay.*"

Many are doing work that Italians do not like such as farm laborers, street cleaners, and heavy work. A government official said that unless there was a crackdown, the flow of Egyptians into Italy will keep increasing. If this is allowed to occur Italy will become the next Egypt. All the Italian people will be forced out of their own country. .....

In America we face the same problem. We brought Mexicans in to do stoop farm labor. Once they become citizens, they went on welfare and refused to do such work. Now they are bringing in negroes from the Caribbean to work the farms in upstate New York - DESPITE MASSIVE UNEMPLOYMENT IN NEW YORK CITY! Once these workers are eligible for unemployment, they too will go on welfare and the cycle will be repeated again and again.

White people in Europe and North America all face the same problem. The hordes of non-Whites flooding our shores pose the threat of death to our civilization. Remember that negroidal peoples have never in history created a single civilization but they destroyed Egypt, Portugal, all North African countries, Haiti, Northern Brazil, and all the African countries given up by European colonists.

The book, "Camp of the Saints" is a striking story of what happens when hordes of Asians from India flood France. It details how civilization can fall in graphic detail. This book is a must for those who want to wake people up to the dangers of non-White immigration.

Job Discrimination Hits Whites

Dial Finance Gets NAACP AWARD

Dial Finance Chairman, Jew Ed Glazer, has been named minority "Employer of the Year" in Des Moines Iowa. The NAACP said that Glazer's "commitment to affirmative action" has been proven by his actions. Glazer has replaced large numbers of White Christian employees with negroes. His actions won him the highest honor the NAACP can award. It should be noted that Dial Finance is well known for its usurious interest rates and high pressure collection measures.

Dial Finance Chairman Ed Glazer gets award for hiring blacks first.

Sears Hires More Negroes

Sears, Roebuck & Co. announced that its affirmative action hiring and promotion program has increased the number of blacks in managerial categories sixfold. They promised to expand this program to include Mexicans and Asians now pouring into this country in larger numbers every day. If this continues, there will be no jobs left for White people in the future.

Rabbis Do Not Have To Believe In God

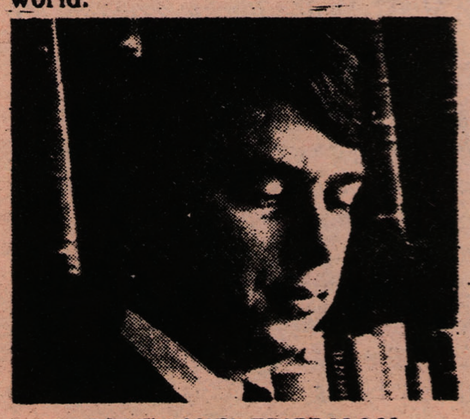
Atheist Rabbi Explains His Beliefs (Or Lack of Them)

On this page we reproduce an interview with Rabbi Daniel Friedman. He heads a Chicago synagogue with a large congregation. Friedman is an avowed atheist. Most Christians do not realize the great differences which exist between Christianity and Judaism.

Most Jews do not believe in God. Their religion is one of materialism. They believe that one should enjoy the riches and pleasures of this life rather than the hereafter. The interview with Rabbi Friedman was held with Miss Diana Diamond of the Jewish Lerner North Shore(Chicago) newspapers. It is reprinted from the *Chicago Jewish Sentinel*.

Below Reprinted from the "Chicago Jewish Sentinel"

Rabbi Daniel Friedman of Cong. Beth Or, Deerfield contended there is no supernatural God, and that a belief in a Supreme Being is "irrelevant in a largely secular world."



RABBI DANIEL FRIEDMAN

Rabbi Friedman suggested the question of whether God exists is irrelevant, that it does not help in solving our day-to-day problems, and one's tradition should not interfere with the personal decision a person makes on God's existence.

A belief in God may have made a difference to our ancestors, for "their lives, existence and consciousness were dominated by the thought of a Supernatural Being who created the universe, and who would reward or punish." But this is not true today, Rabbi Friedman said.

The challenge of humanism is to grow up and out of any dependency. "God will not save us — we must save ourselves," Rabbi Friedman said.

Asserting that each person must control his own destiny, and must take responsibility for himself, Rabbi Friedman then suggested that a belief in God is "unhealthy." He does not pray, he said, and his congregation does not address itself to a Supernatural Being, but rather "expresses our own personal hopes, thoughts and dreams."

Friedman also suggested that one of the problems of religion is that people seem to need it only when in trouble, "and most of us are not in trouble all the time."

The rabbi defined the theist as one who believes in God; the atheist as one who does not. There also are agnostics, who are not sure, and ignostics, who question which definition of God is being referred to.

Rabbi Friedman said he falls into a fifth category — that of a humanist, who considers it demeaning to place oneself in a subordinate position to a Supernatural God for whom "there is no shred of evidence."

A humanist proclaims that a belief in a God who controls human destiny "is not only wrong from an empirical standpoint, but is dangerous because it demeans the human spirit, crushes that spirit, and robs a person from having a mastery over his own destiny," the rabbi said.

"It is an opiate; it's an illusion," he said. "A belief in God can create a dependency, and this can become destructive for an individual. A humanist discourages such dependency, and the challenge to the individual is to "emancipate oneself from irrational authority."

Authority of any kind becomes the crucial issue, Rabbi Friedman suggested, for "what right does anyone have to tell me how to live my life, or what is the purpose of my existence? No rabbi, priest or political authority can usurp that right from me, for I have the right to determine how to live my life."

Theism, he said, argues that God owns your life, while humanism argues "you own your life."

Rabbi Friedman further contended that a belief in God makes no difference in an individual's life. "Who cares? It once may have made a difference to our ancestors, but it no longer has relevance to us today." That belief will not help people solve the daily problems in life — people must solve them themselves, he said. "There are more important questions to deal with in our lives," the rabbi said, and as we make our way through life, a belief in God "doesn't really make much difference."

Congress Exempt From The Civil Rights Laws

Negro Senator Edward Brooke noted that Congress exempted itself from the civil rights fair employment laws when they were adopted 13 years ago. Brooke says that he finds that most Congressmen and Senators have not integrated their staffs. This means that all representatives who voted for the law and didn't hire blacks themselves are hypocrites. We don't blame them for not integrating their staffs, but now call on Congress to repeal all the anti-White civil rights laws because they have deprived the majority of Americans of their rights.

Ancient Paper Says That Pontius Pilate Tried to Prevent Christ's Death

LIVERPOOL, Eng., (Reuters)—Liverpool University historians are studying a 1,500-year-old document which tells the story of how Pontius Pilate tried desperately to save the life of Jesus Christ—even calling for 2,000 reinforcements which arrived too late.

THE DOCUMENT QUOTES Pilate as being desperate to save Christ, but being unable to do so because of the fury of the Jews. His reinforcements of 2,000 men arrived the day after the crucifixion.

Liverpool University history Prof. D. B. Quinn says the document, purporting to be a translation of a letter from Pilate to Tiberius Caesar, was found by a Liverpool woman among a bundle of old documents.

SHE HANDED it to Roman Catholic scholars who sent it to the Vatican for examination. The document and an extract of a report from the Vatican archives was recently sent back to the woman by Msgr. Gerald Tickle, rector of the Vatican's English college.

Who Killed Christ?

The Jews are using their money power and political clout to force Christian churches around the world to rewrite the Holy Bible. This in fact has been accomplished because most religious leaders today "*live in fear of the Jews*" as in Bible times.

Their foremost project is to have the Bible re-written so that full blame for the crucifixion of Jesus Christ is placed on the Romans and not on the Jews. They do not want the Holy Bible to quote Pontius Pilate as "washing his hands" of responsiblity for Christ's death. Then the Jews shouted "*Let His blood be on us and our children*".

It is obvious that the Jews, who were the dominant ruling group, under the Romans in Palestine were responsible for Christ's crucifixion. Yet, they want history re-written as they do W.W. II and other subjects.

Theologians who have given into the Jews were shocked when an ancient document was discovered reporting a request from Pontius Pilate to Tiberius Caesar. Pilate wanted 2,000 troops to put down the frenzied Jewish mobs who were demanding Jesus Christ's crucifixion. Pilate wanted to save Christ from "the fury of the Jews." The forces he needed arrived one day too late. His written request for these forces survived to now document the original Biblical account of the Jew's resonsibility for the death of Jesus Christ. Show the reprint of this Reuters News Agency to your pastor so that he will know the truth of this historical event. We must resist the activities of Christ's enemies who rewrite the Holy Bible.

Jews Object to Christian Graduation Speakers

"Here's The Point" is reproduced from the "B'Nai B'irth Messenger" of Los Angeles. This is the viewpoint held by many Jews who actually oppose the expression of Christianity in any type of public form.

Here David Weissman charges that Christians "defy the constitution" when they mention the name of Jesus Christ at graduation commencements. He says that it is offensive to Jews and other non-Christians. What Weissman forgets is that America was founded as a Christian nation, built by Christian pioneers, and not by the present minorities. For the most part they flooded into America after this great White Christian civilization was well-established.

Here's The Point

By DAVID WEISSMAN

IT seems perfectly natural for Christian ministers to bring their creed into any benediction or invocation they may give, no matter under what circumstance. They take it for granted that this is a Christian nation, and therefore it should not be taken amiss that they may greet an audience in "the name of Jesus Christ." The minister doesn't even feel or know that he is defying the Constitution of the United States, when he speaks thus in a public school. And we can testify from personal experience that the law of separation of Church and State is broken at nearly every public school graduation. It seems that these ministers, preachers, and even good Christian lay speakers in public school graduation exercises do not realize that they may offend the religious sensibilities of Jews, Buddhists, Shintoists, or Moslems in the audience. If it is against the law to teach sectarian religion in the public schools, why bring such teachings in on public school property on the last day of school?

Jew Definition of "Bastard"

Very few people know what the word "bastard" means to the Jews. Not long ago Israeli Foreign Minister Moshe Dayan stated in public that he was not a "bastard". Their use of this word has nothing to do with an illegitimate birth. It means one who is not born of a Jewish woman.

On this page we reproduce a note from the Zionist News Service quoting a rabbi stating that there are some 200,000 "bastard" Jews in America. What he means is that they were born of marriages between Jews and gentiles in which the mother was not properly converted according to Orthodox standards. Thus, the children of such a marriage are considered "bastards" according to the Talmud, their Bible. To learn more of this strange so-called religion, order the book, "The Talmud Unmasked", only $1 per copy, available from the Thunderbolt.

Pat Boone Criticized

No one has been more pro-Jewish than singer Pat Boone. He even wears the Star of David on a chain around his neck. Boone led over 2,000 Christians on tours of Israel which helped the Zionist state's economy. Boone also raised money for Jewish institutions.

The June 12th issue of "Jewish Week" apologizes to readers for carrying a photo of Boone's recent visit to a Hebrew hospital in Jerusalem. It stated that he was a "*major financial contributor to B'nai Yeshua*" and "*Jews for Jesus*". Jewess Esther Hecht stated that Pat Boone should be "investigated" for such activities and no longer presented in a favorable light in Jewish publications.

Few Christians realize that Jews take an almost violent attitude toward missionary efforts aimed at winning Jews to Christianity. The members of the Jewish Defense League have even attacked those engaged in such proselytising efforts and once wrecked their office in Philadelphia. This is open anti-Christian activity which is never publicized in the daily press.

200,000 U.S. Jews are bastards: rabbi

NEW YORK (ZINS) — Rabbi Moshe Steinberg, head of the Rabbinical Court (Bet Din) of the Rabbinical Association, told his colleagues at a recent assembly here that they must be on guard against loose conversion practices. According to Rabbi Steinberg, there are no less than 200,000 bastards in this country who, according to Jewish law, may not marry with Jews. He blamed this "epidemic" of bastardy on the chaos and loose standards which prevail in the United States in general, including the conduct of rabbis in the Reform and Conservative movements who fail to heed the strict dictates of Jewish law.

Chart shows number of babies born in Broward for selected three-month spans during past decade. Black and white illegitimacy rates are also listed.

BLACKS OUTBREED WHITES

Negroes Have Huge Families

Most Whites never even think about the average size of a negro family. The illegitimacy rate among negroes has always been so high that talk about tracing their ''roots'' is sheer tomfoolery.

Winners-Marie and Gordon McNair have 9 children. Now they will get off welfare.

Recently New Jersey announced the winners of the state's biggest lottery. The grand prize was $1,776 per month for life. The winning couple turned out to be Marie and Gordon McNair...negroes. They have 9 children and happily announced they would now be able to go off welfare.

Recently this editor took his children to ''Kingdom's Three,'' a local amusement park and wildlife preserve. It was immediately obvious that most blacks had 4 or 5 children while Whites had but 1 or 2. Blacks with more children did not come because they could not afford the admission fee. But, we ask our readers to look around you, see the huge numbers of negro kids. Make others realize that the minorities in our midst are breeding so fast that they soon will constitute a majority in America.

Negro Illegitimates 60% In Florida

On this page, reproduced from the ''Ft. Lauderdale News,'' are statistics showing the shocking rise in black illegitimate births. The last figures are for the first quarter in 1976 but their percentage of the illegitimate births has continued at this pace. It should be noted that in the White column many Puerto Ricans and Cubans are included as ''White''. Whites are a minority in both Puerto Rico and Cuba. When you add the legitimate and illegitimate black births together in Broward County, Florida., you find that they are two thirds of the White birth rate. Subtract the coloreds passing as Whites by the census counters and you will find that today's black births are equaling or surpassing white births. What this means is that America is headed toward a colored majority unless the White people take drastic action to change this frightening trend.

Illegitimate Negro Birth Highest Ever

Latest government figures show that over 50% of all births within the negro community are illegitimate. Negroes have almost three times as many children as Whites and their increasing numbers account in large measure for the population growth in America. The true White population growth in this country is now below the liberals' ''utopian'' ideal of population zero.

In the 1970 census it was found that White illegitimate births were stabilized at 6.4 percent, but blacks had soared to 38 percent. Since that date this figure for negroes has greatly increased. The negro city of Washington, D.C. reports that over half of all live births are illegitimate.

Dallas, Texas Times Herald of July 11 reported: ''*Despite the declining total birth rate [among Whites] the illegitimate birth rate among blacks has reached astronomical proportions. One out of every two black infants in Dallas is born to an unwed mother. This upward trend in illegitimate births among blacks closely parallels the national trend.*''

''The National Center for Health Statistics'' found that in 1974 there were 471 black illegitimate births per 1,000 born. It is estimated that in 1977 the national average is well over 50% illegitimate for negroes. The study found that the ''*bulk of illegitimate births were among negro girls age 20 and under.*'' Increased sexual activity on the part of young blacks was given as the reason. It found that many of them were ''*ignorant about the facts of human reproduction and contraception.*''

Birth Control Called Black Genocide Plan

SAN FRANCISCO (AP)—A black educator says birth control programs have "overtones of genocide" against Negroes.

America's population control efforts should concentrate on the white middle-class, not blacks, Dr. Andrew Billingsley said Tuesday.

Billingsley, vice president for academic affairs at Howard University, received a standing ovation from 700 delegates to the annual national conference of Planned Parenthood-World Population.

He said present programs are aimed at "stamping out black children before they get on welfare . . . others have decided the black population is getting out of control and must be curbed."

"The fact is the greatest population pressure lies with the white middle class, which is the most destructive of national resources, environment, space money, power and control. If population control programs are to be imposed, begin there with the class that has more than its fair share of everything."

Need of Blacks Seen

Blacks constitute only 15% of the U.S. population, he said.

"Society needs more blacks and the blacks' new vigor, lust for life and healing spirit," he said.

Billingsley said many black leaders are boycotting meetings on environmental and population problems because they consider them an attempt to "legitimatize vicious extermination" of blacks.

'Death Wish' Is Charged

PIKESVILLE, Md. (AP)—An orthodox Jewish feminist says that zero population growth represents a ''death wish'' when applied to American Jewish families.

Blue Greenberg, a professor at the City College of New York, says

''For the rest of the world, ZPG—zero population growth—is a wonderful thing,'' she told the biennial convention of the American Jwish Congress National Women's Division. ''For the Jewish people, in view of the huge losses our people have suffered in our own lifetime, it is a form of suicide, a kind of death wish.''

Jews Want More Children

In the article on this page on the ''Anti-children Campaign'' we quote several Jewish family planning experts urging White Christians to have no children at all. When one reads the Jewish press we find the opposite advice being given to their own kind.

Milton Himmelfarb of the American Jewish Committee recently addressed 1,000 leaders at the ''National Conference of Jewish Communal Service.'' He charged that intermarriage with Gentiles, coupled with a low birth rate, has made Jews ''*an endangered species.*''

Himmelfarb stated that ''*unless every Jewish family in the country has at least three children we will be committing mass suicide!*''

These are indeed strong words and if they were uttered by a leader in the White Christian community it would be considered as ''racism!''

Denver, Colorado's ''Intermountain Jewish News'' quotes Rabbi Abraham Karp as stating that the way to raise the Jewish birthrate is for Jewish couples to ''go home and have babies!''

Reproduced on this page is an Associated Press (AP) dispatch which quotes Prof. Blue Greenberg saying that the national goal of ''*population zero*'' should not apply to Jews because it would mean ''*death*'' to their race. He stated that it is a wonderful thing for Gentiles, but not for Jews.

Once again we see that the Jews advocate protectionism for their race but birth control and abortion for the White Race! All together this is a policy which can only result in the eventual destruction of our race when one considers how rapidly we are shrinking in relation to the rapidly rising non-White population in the world.

When the United Nations issued its resolution that Israel was a ''racist'' nation, that was an understatement. Jews are the only people in the world which are united in the bond of one race, one nation, and one religion. They oppose intermarriage, want no converts to Judaism, refuse Israeli citizenship to non-Jews, and have organized their people world-wide to be loyal to Jewry and Israel first. It is this unity which gives Jews great strength. White Christians are divided and are weakened due to different religions, nationality groups, etc. We must demonstrate to our own kind that our common bond is our White European brotherhood that can eventually unify our people so that our White Race can survive.

Blacks Oppose Birth Control

Negroes have openly stated that they are against birth control programs. They have declared that their future political power lies in increased numbers. On this page we reproduce a San Francisco Dispatch which states, ''*the White middle class, not blacks,*'' should cut their birthrate.

Black Dr. Andrew Billingsley of Howard University clearly reveals his hatred for the White Race when he declares that ''*the White middle class is destructive*'' and wasteful.

America's welfare schemes actually pay blacks to breed illegitimates. There are many unwed negro mothers who are illegitimate themselves, as were their mothers. There are third and fourth generation illegitimate negro families. Welfare is a way of life among blacks. They have learned that the more illegitimates they breed, the higher their welfare checks, the lower their public housing costs, and the more food stamps they are given.

The White American taxpayer is actually paying the blacks to breed, breed and breed. What we are doing is financing our own destruction. We have allowed the Jews and the leftists to sell us on the idea that there are too many White people in the world while the colored population is exploding all around us. This is a desperate situation in which can not be ignored. The Thunderbolt is the main publication seeking to awaken the nation to the threat of pending doom facing the White Race. The non-White birth rate, coupled with over 80% non-white immigration, plus the White Race presently failing to reproduce its own kind is news which should be on the front page of every daily newspaper in America.

NSRP Fall Meetings Underway

REPORT ON NSRP MEETINGS

Not a single day goes by that we do not receive long distance phone calls at Headquarters from Patriots who want National States Rights Party meetings held in their areas. Right now Attorney J. B. Stoner is planning conferences with Party leaders at several meetings in California. West Coast activity continues to spiral.

Dr. E. R. Fields will be speaking in Jacksonville, St. Petersburg, and Ft. Lauderdale next month. The movie we made of our tour of England and Belgium is now ready and will be shown in these cities. Dillon, S.C., and Rocky Mount, N.C. supporters will also see the movie by the end of October. Atlanta is also on the schedule.

This is the film made while we were on tour addressing National Front meetings in England and attending the Nationalist European Congress in Belgium. This movie includes a half hour interview we filmed with John Tyndall, the dynamic leader of the National Front. This is perhaps the largest and most successful White Nationalist organization in the world at this time.

We also have more meetings planned for Louisville, Columbus, Ohio, and Chicago before the end of November. Watch your mail for your personal invitation.

Dr. Roy Brown recently spoke in Dallas Texas at an NSRP picnic. He is pictured on this page wearing his NSRP uniform. Texas is one of our strongest states. Dr. Brown also traveled recently in Tulsa, Okla. where he organized a new NSRP Chapter. Full photo story will appear in the next issue of The Thunderbolt.

LOUISVILLE PATRIOTS

The NSRP always has good crowds in Louisville and Dr. Fields is anxious to speak there in the very near future. We will be your way again soon. There are no more wonderful and dedicated NSRP people than in the city of Louisville and we congratulate you for your continued fight against forced busing.

Jackson, Miss. NSRP Organizer Bob Weems is holding monthly NSRP meetings and we hope all supporters will bring their friends to these events. We have a great opportunity in this state and plan on running candidates for office next year.

ANTI-TV SOAP DEMONSTRATIONS

The NSRP joined with the "**National Federation For Decency**" in picketing Atlanta's ABC outlet Channel 11. They are showing the porno ~~btv~~ show "Soap" which Jew Fred Silverman is fostering upon viewers. On this page is a photo of Dr. Fields leading the picket line in Atlanta. More activity reports next month.

Race Suicide Syndrome?

6.8 Million Whites Undergo Sterilization

Jewish Law Allows "Abortion" Death On Newborn

Abortion Is Not Murder Says Rabbi

While it is recognized that few Jews undergo abortions, they lobby for its legalization. In fact Jewish feminist leaders like Bella Abzug, Gloria Steinam, and Betty Friedan have made abortion a major issue. Most Christian leaders have condemned abortion but one of the world's most important rabbis has taken issue with this stand.

Rabbi Louis I. Rabinowitz, former chief rabbi of South Africa and now deputy mayor of Jerusalem, has declared that *"abortion does not constitute murder."*

He quoted "The Talmud" (the Jews real Bible) noting that: *"The Mishna (Ned 5:3) states explicitly that it applies only to a child actually born 'one day old'."* He states this is also in the last paragraph of Tosafot Sanhedrin 59a.

Rabbi Rabinowitz further added: *"Moreover since a prematurely born child is not considered as viable until it has lived 30 days, Maimonides, in codifying this law (Laws of Murder 2:6) adds that, in such a case, the assailant is not guilty of murder if he killed a premature child before this age."*

In other words, Rabbi Rabinowitz states that Talmudic Jewish law does not consider the deliberate killing of a baby 30 days old murder! The rabbi writes a weekly column, "Biblical Prayers" for the "Jerusalem Post," Israel's leading newspaper.

"The Talmud" is a strange and violently anti-Christian encyclopedia which guides the daily lives of so-called observant Jews. Few Christians have ever read the Talmud or know that it exists. "The Talmud Unmasked" was written by a Catholic priest who was a scholar in translating Hebrew. Father Pranaitis has translated some of the most vile and anti-Christian parts of the Talmud. This remarkable work is a real eye-opener and can be purchased from The Thunderbolt for only $1 per copy. It is worth much more and contains a mine of information about the strange Jewish religion.

JEWISH DOCTOR WARNS JEWS OF DANGERS OF STERILIZATION

Vasectomy May Bring Problems

DEAR DOCTOR: I am contemplating having a vasectomy, but my wife has heard that problems may arise many years after this procedure. Do you have any information on the long-term effects of vasectomy?—D.D., Norfolk

DR. MENDELSOHN

DEAR D.D.: In a recent letter to the editor of "Resident and Staff Physician," Dr. Gerald Glowacki, director of obstetrics and gynecology at Baltimore's Franklin Square Hospital, comments that after such surgery about 25 per cent of men develop antisperm antibodies. In these cases, the body is required to lower its immunological resistance and thus becomes more susceptible to various maladies. Dr. Glowacki states, "Recent reports show that post-vasectomied males with sperm antibodies have developed significant arthritis, and it is believed that susceptibility to such diseases as lymphoma, leukemia and Hodgkins Disease are all theoretical potentials of this sequence of immune events."

I congratulate you for seeking out information about possible long-term risks of vasectomy, and I suggest that you read as many medical journals as you can get your hands on before you take final action.

Danger to Georgians

A little noticed report was issued by the Georgia Department of Education. It stated that while negroes make up nearly 30% of the state's population, their numbers account for 50% of all public school children under the age of 12.

What this means is that there is an army of negroes being born while Whites are having fewer and fewer children. When we project these vast hordes in the lower grades of Georgia schools into the future it is obvious that they will be the reigning majority in the near future. There should be major articles about this pending disaster in the daily press.

But no, they had rather feed the people TV and sports so they will sleep on. The Reds hope that by the time a White awakening takes place it will be too late to stem the flood tide of the growing swarms of coloreds in out midst.

New Ways To Sterilize Whites Advocated

On May 21st the Worldwatch Institute in Washington reported that for the first time this year, sterilization had become the most popular method of birth control. This is followed by the Pill, condom and IUD.

Worldwatch, which advocates population zero, states that in America 6.8 million couples had elected to use sterilization as their method of contraception. the figures break down to 3.8 million women and 3 million men. The report emphasized that mainly whites were requesting sterilization. The following are shocking and almost unbelievable figures for 1975 reported by the "Planned Parenthood Journal'." They state that 56% of all White married couples married for 20 or more years choose sterilization. (Up from 37% in 1973).

Some 52% wed 15 to 19 years voluntarily underwent sterilization. (Up from 32% in 1973.) The study found that 43% were sterilized after being married only 10 to 14 years. (Up from 30% in 1973.) Most frightening of all is the discovery that even young couples in their twenties, wed just 5 to 9 years, 23% had chosen sterilization. (Up from 19% in 1973.)

Worldwatch director Bruce Stokes said that sterilization had been successful *"especially in the developed countries."* This means White nations and White people. He said that new advances" in sterilization for females do not require long hospitalization, thus making the program more "popular".

The negro *Jet Magazine"* reported that *"vasectomies are more popular among White males than among black or Puerto Rican men."* To the colored races the ability to bear children is a badge of virility and manhood. Not to be able to reproduce is considered rendering one less than a whole man. Actually this is true! Sterilization is irreversible and, once consummated, leaves a man nothing more than a human vegetable as far as reproducing his own kind is concerned.

Whites have been sold on the idea of living for personal pleasures of today. Whether or not their family tree will be continued in the future or whether or not the White race will exist after they are dead and gone is of no concern to them. The controlled media is giving the people "bread and circuses" and we are living in a time which existed just before the fall of Greece and Rome.

STERILIZATION RACKET

Dr. Bernard L. Rosenfeld of the University of California Medical Center admits that the *"greed of many doctors to fatten their bank accounts"* is particularly responsible for the rise in sterilizations. Rosenfeld states that a correctly fitted diaphragm costing only $25 to $50 can be a 100% secure contraceptive. Rosenfeld states that sterilization fees range from $300 to $500 thus they are preferred by many doctors. Not only are the health risks not explained to the patient, but the fact that sterilization is irreversible and has caused mental anguish to thousands is not discussed by the doctor. Sterilization ruins the health of every man who submits to a vasectomy.

Judges Oppose Interracial Adoption

Pennsylvania Judge William F. Potter of McLean County ruled that interracial adoptions were *"improper."* He added that *"it's great when they're little pickaninnies but what about when they're older."*

This is indeed a valid argument but the race mixers continue to push forward with their programs to have Whites adopt mixed-breeds. Judy and David Refosco defied the Judge saying *"race is irrelevant"* and adopted two negro children.

FBI Only Interested In Negroes Civil Rights

THE FBI HITS RIGHT MORE THAN LEFT

The daily press continues to serve up stories about how the FBI has kept watch over certain left wing groups in the past. The fact is that more attention was focused on harassing Patriotic Right Wing groups than ever applied to the left. While the Reds may have been watched many Whites were actually prosecuted according to recently published figures.

During 1975 the FBI civil rights division investigated 7,946 cases involving minorities who claimed their so-called "rights" were violated. 1,238 cases involved negroes who were not allowed to purchase homes in White neighborhoods. The balance concerned their complaints involving discrimination in employment, education, and use of public accommodations.

Such cases have been publicized, including FBI agents actions on White Carson Beach in Boston. They aided local police in arresting White youths who sought to prevent blacks from hassling White girls on the beach. The FBI agent in charge, Richard Bates, said that if the blacks' civil rights were found to be violated, then the Whites would face much more serious charges than simple assault. (Note: We have never heard of any black being charged by the FBI with violating the civil rights of any White they have attacked. Many such cases have occurred because of the blacks pure hatred of people with White skin!)

Prince Georges County, Md. police department is being investigated because a negro was hit with police billy clubs during his arrest. Negro Thomas Peet was charged with assault and resisting arrest. William L. Gardner, top man in the Justice Department's civil rights division, ordered the investigation. He said this was the third investigation in that part of Virginia this year. The first two cases resulted in acquittals for the harassed White officers. The law provides one year in prison and a $1,000 fine if a police officer uses too much force in the arrest of member of minority group.

New Self Hate Program

Black Dolls To Be Pushed At Christmas

The negro operated Shindana Toys, Inc. of Los Angeles is going to try and sell 500,000 black dolls this year. Head of the company, negro Robert Bobo, said that they will promote the sale of the black doll among White parents on the grounds that *"they should not want their children to grow up with the same racial hangups that they had."*

Shindana was begun with federal grants under Nixon's "Operation Bootstrap" poverty aid program along with a $200,000 gift from the Jewish Mattel Toy Co. Mattel makes the highly successful Barbie doll and loaned their experts to Shindana to help them launch. Bobo says that last year one-third of all black dolls were sold in the New York area and the balance in foreign countries including Africa. This Christmas they are going nationwide with O.J. Simpson, Jimmie Walker, and Flip Wilson dolls. One called Baby Nancy will have an Afro hairdo. Any Whites who purchase such dolls for their children will be aiding the promotion of the White self-hate syndrome which was outlined by the late Jewish communist writer Israel Cohen in 1918.

Whites Urged To Have Abortions — So More Colored Babies Can Be Adopted

Doug and Gail Wright holding their adopted daughter purchased from Columbia. Are they any cheaper by the dozen? Doug himself is an obvious mongrel.

Miss Beverly Emmert has adopted 2 negroid children.

New South American Baby Adoption Racket

Bogota, Columbia has one of the highest birthrates in the world. Some 2,000 births take place every day in the steaming slums of that city. The sister of current President, Alfonso Lopez, has formed the Colombia American Friends adoption agency. with cold monetary profit its chief goal.

"The Philadelphia Inquirer" July 14th, revealed that Miss Lopez charges from $3,000 to $4,000 for the children she sells to misguided Americans. Some 1,000 per year are flown to the U.S. and hundreds more to Europe. She states that the children come from *"embarrassed upper class Colombian families"*, but most believe they are abandoned by unwed poverty stricken mothers.

South American adoptive babies are of unknown racial background but they are most definitely non-White mongrels. The adopted daughter of Gail Wright on this page has black eyes, kinky black hair, and slanted eyes. She could be part negro, part Asian, and part Spainsh. Unfortunately, there are 1,300 White couples signed up for these babies. It is possible that ~~a South~~ American mongrels will be the new source of non-White genes to be injected into the blood stream of the White Race.

They are definitely an inferior race and their importation into this country is nothing more than suicidal. The time has come for the American people to be made aware of the importance of maintaining the purity of the White Race. It should never be forgotten that every civilization ever created in the history of the world has been built by the White Race or influenced by the White Race. This includes those in Asia and those found which once existed in South America. The I.Q. of the mongrel children from South America is on the average 15 to 20 points lower than that of White children. This difference alone is enough to determine whether or not civilization stands or falls!! This is why it is our duty to spread the truth about the necessity that the White Race be preserved.

Why You Need Offspring

White Racial Pride Needed

The time has come for us to one and all realize that we would not be here on this earth if our parents had requested that the doctors sterilize them. Our people have had their brains polluted with the media propaganda that children cost too much, families are unhappy, pleasure comes first, etc. These are distortions because the love of children is the only form of real happiness for married couples. Their life is truly barren if they do not reproduce their own kind.

The genes which have developed civilization over a period of thousands of years will not be passed on to future White generations if we fail to bear offspring. In the sense that your living gene continues your life on this earth in the embodiment of one's children, we can say that we live on in this life in and through our children. When children are born into this world they represent a kind of reincarnation of yourself in the very creation of these sacred babies. These are the things that matter in life and not the goal of fleeting personal pleasure and money. Now is the time for us to emphasize the fact that the reason we exist on this earth at all is for the perpetuation of the White Race and the advancement of Christian civilization.

Florida Teacher Adopts Coloreds

St. Petersburg elementary teacher Miss Beverly Emmert has adopted two negroid children. She is 34 and explained: *"I didn't have any marriage prospects and wanted children. Only blacks were available and I decided not to wait."* Not knowing the consequences of her action Miss Emmert is contributing to the mongrelization of the White Race by raising these illegitimates in a White community where they will associate with Whites and not members of their own race.

Mixed Adoptions Bring Stigma

Alton, Illinois couple Melvin and Wilma Sparlin adopted a negro girl. They live across the river from St. Louis where many residents fled the black blight which has ruined that once great city. The Sparlins have three other children and their neighbors shun them today. Mrs. Sparlin displayed her fanaticism for race mixing when she said: *"Black is not a color; it is a culture."* This is really carrying color blindness to extremes. She added that no one runs over to see your baby when it's black; *"most of our friends don't visit us any more."*

Abortion Leads To Interracial Adoptions

Adoption agencies report that there are practically no White children in orphanages available for adoption. At the same time the social agencies report a staggering abundance of black and mulatto babies on their hands.

Abortion has reversed nature's way of providing children for couples who can not have their own. Thus leftists, whose primary goal is to promote race mixing, have seized upon this unnatural situation to promote interracial adoptions.

From 1968 to 1972 U.S. adoption agencies were able to place 10,000 negroidal children in White homes. With increasing racial tensions in this country the rates dropped by 30% but they are still finding about 1,500 White homes per year for negro children. One agency head tells prospective adoptive parents that there is practically no chance for them to find a White child. They then offer them the choice of a handicapped child or a mulatto child. They tell the distraught couples: *"If you are not prejudiced then you should accept what you can get."*

Minnesota and **Toronto** have been two areas where such agencies have been especially successful with such racially destructive programs. 'The Lutheran Children's Friend Society" alone is placing over 100 negro children each year in White homes in that state. There are other societies working out of Minneapolis toward the same goal. Widespread advertising of the availability of such adoptable children is placed in the news media and posted in the churches. They depict photos of the children designed to elicit sympathy which will lead to adoption by Whites.

Claude E. Watson and his wife in Toronto adopted a half-caste negroid child named Timothy. They have two White children of their own. Watson said: *"I'm spritually in tune with the civil rights movement but not physically."* He explains that he lives in an all-White neighborhood and admits that they do not socialize with blacks. Watson stated that Timothy does not know any negroes and has expressed the wish he was White. This is admittedly an unnatural situation and this negro will grow up a misfit in a White society. No doubt he will stay away from blacks and seek to marry a White girl thus furthering the down-breeding of the White Race. It must always be kept in mind that Negro genes are dominant over White genes at a 4 to 1 ratio. This means that the offspring of interracial unions will always be predominately negroid.

Chicago, Ill., reports that 90% of the children in foster homes are negroes. The Carter program of welfare payments to families which will adopt such *"hard to place"* children is extremely dangerous. Foster parents are given state funds to keep such children for limited periods of time. As they get older, black children often cause trouble and are returned to the orphanage. Carter is encouraging the adoption of such children with the promise of subsidies that will amount to several thousand dollars a year and will encourage Whites with no racial self-respect to take in more black children.

Growing up in White neighborhoods, going to White schools, and churches means that such children will eventually marry Whites. Thus, continuing the melting down process and pollution of the White blood stream.

Race Mixers Flying In Coloreds

Flying In Mongrels From All Over The World

While adoption agencies must seek out the most extreme anti-social White couples to adopt negro children, they find it much easier to place Asian and South American children in White homes. Hollywood actresses Jane Russell and Dale Evans have been responsible for many thousands of Asiatics being brought to America. Since they are not black, most Whites who are not race conscious simply do not know the difference and will adopt Asians readily.

Billy James Hargis of Tulsa Okla., is notorious. His so-called "David Livingstone Missionary Foundation" has done much damage in placing Asiatics in the homes of White conservatives. Even this newspaper had one couple write us a letter saying they agreed with most of our views but asked that their names be taken off the list because they had adopted two Korean children through the Billy James Hargis organization. They simply could not tell the difference between the White and Asiatic races. If we all accepted this view, the White race would soon be bred out of existence. There are many differences which exist between Asiatic and White races, both mental and physical. The chief point is that we Whites have both a right and a duty to protect our own kind.

Half negro and half Asiatic children were flooding America from Vietnam up until our military defeat in that war. Today the Holt Adoption Agency in Eugene, Oregon continues to fly in thousands of children from Korea for adoption. These children can be found in almost every community in the nation. They mix easily with Whites and some are now grown. Most will marry Whites!

"Camp Of The Saints" May Engulf America

Aliens Depleting Social Funds

(Below reprinted from "San Francisco Chronicle"

Guy Wright

Instant pensions and illegal aliens

Earlier this month Social Security teletypes chattered a warning. "EMERGENCY INSTRUCTIONS," the message began.

It said a federal judge had granted permission for "approximately 200,000 Western Hemisphere illegal aliens" to remain in this country indefinitely, and his order "appears to establish potential eligibility for SSI benefits" — those instant pensions I've been telling you about.

Till now the instant pensions have gone only to legal aliens. Suddenly thousands of illegal aliens can sign up too.

A clarifying second teletype told Social Security offices just to take applications and sit tight till the legal dust settles. "We did not intend to imply that SSI benefits were payable at this time to this group of aliens," it said.

The group is unique — aliens from Latin America who had applied for entry visas, were bumped from the Western Hemisphere immigration quota by Cuban refugees, and then sneaked in illegally. Some filed a test case, and the judge ruled they can all stay until it's settled. His order entitles them to welfare, which apparently includes SSI.

Not all 200,000 are likely to sign up, of course, and the order doesn't extend to other illegal aliens.

But this contretemps dramatizes the urgent need to close the instant pension loophole and the futility of trying to close it by devising foolproof immigration procedures, as HEW undersecretary Hale Champion recommended in his testimony before the House Ways and Means subcommittee on public assistance.

The simple solution is to write a reasonable residency requirement into the SSI law, which now permits aliens to sign up for pensions 30 days after they get here. But Champion testified against that change.

In office barely a month, he should have said quite honestly that he didn't know much about the problem yet. Instead he parroted advice from his staff.

It was bad advice, and he reduced himself to a hack bureaucrat, trying to deflect the heat to some other department. The SSI program is HEW's responsibility, you see. Immigration is the Justice Department's headache.

In contrast to Champion, Rep. B. F. Sisk, one of three California congressmen who have introduced bills to set a residency requirement, gave a detailed presentation of the problem, its background and ways of correcting it. His H. R. 5974 would deny SSI benefits to aliens until they are here five years.

Just in passing, Sisk demolished Champion's contention that sharper immigration procedures can stop the abuse. He pointed out that present law permits deportation of aliens who become public charges within five years. Then he cited a federal study which showed welfare payments to aliens in Los Angeles County are running almost $20 million a year, and 44 per cent have been here less than five years.

"There is no requirement that state welfare agencies or HEW report to the Immigration and Naturalization Service the names of aliens who received welfare within five years," Sisk said. "INS must rely on reports from complaining citizens.

"This, coupled with the fact that the Immigration and Naturalization Service has for several years had such serious manpower and funding problems, makes it highly unlikely that any alien receiving public assistance will ever be deported.

"As a matter of fact, I believe INS has deported only about 20 aliens for public charge violations in the past seven or eight years."

Illegal Aliens Receive SSI Benefits

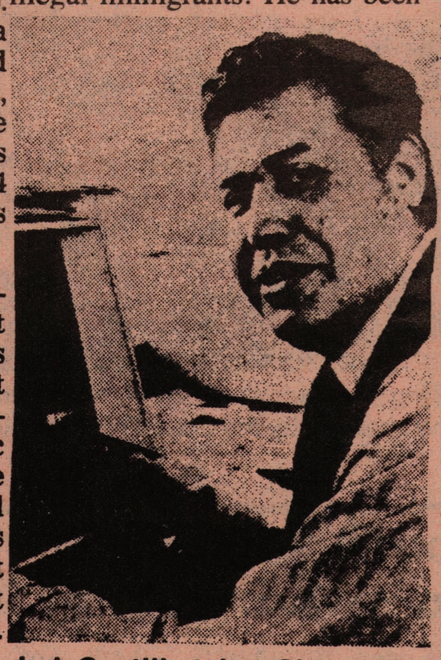
Illinois Sen. Charles Percy has charged that the American taxpayers are being ripped off to the tune of millions of dollars annually by illegal immigrants who are applying for Supplemental Security Income (SSI).

Percy quoted one case where a woman "flew into the U.S. to apply for SSI, had a friend receive the checks, cash them, and sent the money to her in a foreign country. He asked the Immigration Service to investigate the siphoning off of federal funds by aliens. (Note: SSI is designed to provide additional money for the poor, blind, aged or disabled.)

Typical Mud Hut in Mexico. Will this be the new American standard of Living in the future?

Carter's New Mexican Immigration Head Favors Illegal Aliens

Gen. Leonard F. Chapman did more than any other head of the Immigration Service to warn the American people about the danger of what he called *"the silent invasion of our shores"* by illegal immigrants. He has been replaced by the new Carter appointee L.J. Castillo - A MEXICAN!



L.J. Castillo takes Chapman's place as head of the U.S. Immigration Service. How about a Mafiaoso for head of the Justice Department?

Carter told the press that he chose Castillo because most illegal immigrants were Mexicans and he thought that a Mexican could better deal with the problem. The only trouble with his argument is that Castillo himself has supported illegal aliens in the past.

Castillo, age 37, comes from Houston, Texas and once served in the leftist Peace Corps in the Philippines. His most recent post was that of state treasurer of the Democratic Party in Texas. Labor Unions in Texas opposed the selection of Castillo. They testified in Washington against his confirmation on the grounds that: *"Mr. Castillo condones the hiring of illegal aliens, which has caused high unemployment to the citizens of Texas."*

Castillo admitted to the committee that he opposed laws which would make it a crime for employers to hire illegal aliens. He also opposes noncounterfeitable identity cards. Thus the flow of illegals from Mexico has increased at a tremendous rate. The Castillo nomination was easily adopted and the nincompoop President Jimmy Carter once again got his way to the detriment of the nation.

Why Mexicans Come To America

Mexico has one of the fastest growing populations in the world. Most of that nation is desert and uninhabitable. Since 1945 the population has tripled from 20 million to 67 million. Current projections by their own government estimate the Mexican population will double again to 120 million by the end of this century — JUST 23 YEARS FROM NOW.

Mexicans want the social programs provided by the American taxpayer. In Mexico there are no effective welfare programs, unemployment insurance, or Social Security. In fact, this is the case with all "backward" and "underdeveloped nations" of the world..

About 1 million Mexicans enter the United States each year. Two-thirds are caught and sent back. Thus around 300,000 stay here.

More Carribbean Blacks Allowed In Than All Northern Europeans

Jamaica Pleased With Alien Amnesty Program

Andrew Young met with Marxist leaders in Jamaica and found them favorable to the Carter Amnesty program. The overflow population of this rapidly proliferating negro nation is dumping in America. Last year alone 16,000 LEGAL negro immigrants from Jamaica entered America.

This is more than the immigration from all of Northern Europe last year! Jamaica would be only too happy for us to grant amnesty to the estimated 100,000 illegal Jamaicans presently in America. This would allow them the right to begin importation of all their relatives and continually increase the ever-growing flood of colored immigration into America.

Illegal Aliens Given Social Security

Population and Social Security

The public continues to hear that there is a shortage of funds for the future financing of the Social Security program. There are a number of reasons for this including the fact that people live longer, people who are immigrants and never paid into the program can collect, etc. These problems can be solved for the immediate future through higher taxes and dipping into the general tax fund for Social Security money.

Not under consideration is the future spectre of an aging population depending on the taxes to be paid by a rapidly dwindling number of young White workers. The reason for this is that sterilization and abortion along with conventional birth control methods are literally wiping out future generations of Whites who are NOT GOING TO BE BORN!

Some think that the millions of negroes being born and the flood of non-Whites pouring into the country will make up the new workers who will pay social security taxes. The truth is that these peoples quickly turn to welfare and do not turn out productive work. A recent article told of hundreds of negroes being imported to the farms in upstate New York to aid with the harvest. When it was asked why the unemployed negroes and Puerto Ricans in New York City were not given the opportunity of such gainful employment it was stated that they would refuse to do such "menial work."

Thus as we bring in more and more blacks from the Caribbean, Africa and Asia we find that as soon as they are eligible for welfare they too refuse to work. Thus more and more are brought in to do the work that coloreds did before eligible for welfare. This is a system which feeds upon itself and will eventually bring down our civilization. This is not a day far into the future but one which is but a few years hence. This is why the National States Rights Party calls for an immediate end to ALL immigration both legal and illegal. We must first act to set our house in order and this can not be done with the chaos existing today.

TV Reds Distort History

Docudramas Rewrite History

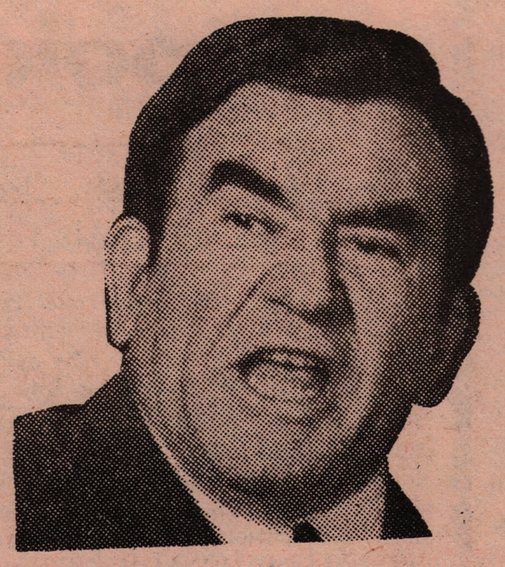
One of the most frightening trends on TV is the production of so-called "docudramas" on important historical events. These are big audience grabbers and the uninformed take them for the truth because they feel they "saw" it with their own eyes. To date, every single docudrama has been a deliberate reversal of the truth. Patriotic Americans have been viciously maligned in line with Marxist lies which had long failed until the docudrama came into play. "Roots" was the biggest hoax of all and a short separate article on this page quickly debunks that story. The following are recent fabrications which in each and every case have been changed to harm the cause of Patriotic Americanism.

"Tail Gunner Joe" was a vicious pack of lies. They picked the communist stooge Peter Boyle to play the part of his opposite, the anti-Red hero Sen. Joe McCarthy. Note photo of Boyle on this page at a Marxist rally with fellow travelers Jane Fonda and Dick Gregory.

"Assassination of the Kingfish" makes Huey Long appear as a villain, vulgar and a tyrant. In this case the leftist Jew Ed Asner is picked to play Long to add insult to injury. The show actually stated that Huey took "graft," had no sense feelings or sense of loyalty," and "had $6 million which was never found." Germans are even smeared in this show. Long's assassin, Carl A. Weiss, is called a German. In truth he was a Jew from New York City.

"The Scottsboro Boys" is the story of 9 black youths who raped two White girls in 1931. The NBC program refers to the White women, Victoria Price and Ruby Bates, as "whores," "bums," and "perjurers" who lied about being raped by the "poor, innocent 9 black youths." They said the girls were both dead -- but Victoria Price is alive and today is Mrs. Victoria Price Street of Flintville, Tenn. She filed suit and even liberal author William Bradford Huey came to her defense. Ruby Bates swore to Huey on her deathbed that they had not lied. A biased judge threw out her $6 million libel suit. Mrs. Street is presently appealing. The star in the TV show is the New York Jewish lawyer, Sam Liebowitz, who defended the Scottsboro Boys.

"Life of Martin Luther King" is an assault upon Whites. It portrays us as evil and communist-trained King as a holy man. Some blacks have attacked Jew producer Stan Levison for leaving Ralph Abernathy and Hosea Williams completely out of the story. Hosea Williams charged the film was produced by a *"rich clique of New York Jews who are trying to exploit the life of Dr. King for economic gain."* Levison said this was slander, but actually the statement is truthful.



Jew Ed Asner played Huey Long-When it was a Jew who murdered Long.

Peter Boyle (center) gives communist salute at Red F.T.A. meeting. Fellow Travelers are Jane Fonda and Dick Gregory.

"Jesus of Nazareth" was personally approved by Rabbi Marc Tannenbaum of the American Jewish Congress. He stated that *"all negative images about Jews"* have been changed in the film. Financed by the British Jew TV magnate Sir Lew Garde, it puts the entire blame for the crucifixion of Jesus Christ on the Italians, and not the Jews. Heavy emphasis is placed on Jesus being a practicing Jew. They falsely make Christianity just a part of Judaism. The show even had Christ go through a bar mitzvah! Christ is made an "ordinary mortal" in this Jewish film. General Motors withdrew their $4.5 million backing of the film, but this was picked up by Proctor and Gamble.

More lying docudramas are being produced to debase the White Race. "The Holocaust" is to be a week-long drama about one Jewish family killed by the Germans. The Jews will go all out to advertise this one. "Roots II" is also on the way with Whites being without any redeeming features and the blacks heroes. Distribution of The Thunderbolt to new people can help spread the truth and cut back on the effectiveness of such vicious propaganda attacks upon the White Race.

Carter Backs Discrimination Against Whites

After rumors that Pres. Carter would have the Justice Department oppose discrimination against White student admission to Medical Schools, he once again displayed his true colors. Carter is opposing the Alan Bakke case. Bakke was refused admission to the University of California Medical School in order that 16 minority students could get in despite the fact that they had lower grades.

Open Interracial Sex on TV

Raw sex between Whites and blacks is now wide open on TV. Elizabeth Montgomery of "Bewitched" fame has a sexual affair with football "hero" O.J. Simpson. Last season on "Executive Suite," White youth Mitchell Ryan gets negress Sharon Acker pregnant. She wants an abortion, but he stops her in time at the clinic because he wants to keep her nigger baby! This is the type of debauched filth the three Jewish-run TV networks have in store for our families this Fall.
